23rd Feb 2005

Dear Ms. Heck,

I thank you for your letter of Feb 1. Regretfully, I have cancelled my coming to "The Church Teaches" Convention in Louisville next June because of overcharged schedules.

The Congregation for Divine Worship and the Discipline of the Sacraments has given sufficient indications on postures at Mass. Do your best and leave the rest to God. After Communion it is good to have common postures, but without taking away the right of a Catholic to kneel down and adore Jesus.

I wish you the graces of Lent and Easter.

Francis Card. Arinze
